THE presence in the City of the Germania Savings Bank directors of San Francisco, together with several very prominent California capitalists, has had its influence on the stock market in many ways. The Germania Savings Bank people have made several large purchases of local bonds and have made some good-sized loans. They are not loaning money on sugar stocks but are always willing to consider loans on good business property in Honolulu. Foreign monies coming into the local market either for investments or in the shape of loans always tend to relieve the tightened financial market and it will not be long before money conditions will be normal again.

Yesterday afternoon the Island steamer Mauna Loa sailed for the Hawaiian leeward coast with the Germania Savings Bank directors and a number of other financiers who recently came to Honolulu from the Mainland. They are to visit Hilo, the Oahu and Puna plantations and the Hilo railroad. The vessel has been chartered after making its regular landing on the Kona coast and will take the entire party direct to Hilo. They will be personally conducted by B. F. Dillingham and L. A. Thurston, who are both interested in the plantations and the railroad above mentioned. The financiers are making a close inspection of the Hawaiian securities, not the least of which are the bonds of several of the new plantations, and it is anticipated that they will invest heavily in the Islands before returning to San Francisco.

The most popular stock on the market during the past week was Oahu Railway and Land Company shares, which advanced from sales aggregating over 1,000 shares at 190 to 200 per share. Yesterday the shares were cut up under the \$4,000,000 capitalization authorized at the annual meeting held during the week, and were quoted on yesterday's Exchange at 190 bid, which is equivalent to 200 on the old capitalization.

Oahu stock advanced very materially during the week. The assessable closed yesterday at sales at 4 1/2 bid, 4 1/4 asked. Several hundred shares of Ewa sold at 28 during the week. The annual meeting of the company was held on Wednesday of this week, at which new officers for the ensuing year were elected. The report of the manager showed that 27,700 tons of sugar had been produced during the past year and that a monthly dividend of 1 per cent had been paid. The 1901 crop will be taken from 3,011 acres, and the 1902 crop from 3,375 acres. The manager hopes to have an economizer installed on the plantation which will turn the leaves into fertilizer and not have them destroyed by fire, as at present. The manager believes in the Porto Rican field laborers, and believes in them the labor difficulties in the Islands will be solved. He advocates the doubling of the present milling capacity. When these improvements are made, and with all the land under cultivation, it will mean an annual output of 35,000 tons of sugar.

Waiakoa closed at sales at 12 1/2 yesterday afternoon. Oahu at sales at 16 1/2. Sales were made of Hawaiian sugar shares during the week at 42 1/2. A few shares of Spreckelsville or Hawaiian Commercial and Sugar Company were sold at 80. Honoum was 165 bid during the week, although the last sale was at 158. Hawaiian Agricultural is not an active stock at present, the last sale being at 310, with 320 asked. Kahuiki is 25 bid, 30 asked. McBryde assessable sold as low as 7 1/2, closing at 8 yesterday. Kihel assessable experienced a sudden drop yesterday, going from 12 to 10. The close, however, on the afternoon Board was at 11 1/4 asked.

Of the various miscellaneous stocks, quotations remain about the same. The shares of the N. S. Sachs Dry Goods Company, Limited, have been listed on the Stock Exchange. The First National Bank is quoted at 110 asked; First American Savings Bank and Trust Company, 105 asked. A sale of 10,000 Oahu Railway and Land Company's bonds took place at 103 yesterday between Boards. There is a big demand for all kinds of railroad bonds.

Hawaiian Government 6 per cents are quoted at 99 1/2 bid; par asked; 5 per cents, 97 asked; Hilo railroad, 101 asked; Ewa, 101 bid; Rapid Transit and Land Company, 101 bid.

It is rumored that a large block of the Oahu sugar bonds were sold to the Germania Savings Bank directors during the week. The amount of the deal and the particulars were not divulged.

HAS FOOT CRUSHED.

Chinese Falls Under Car on Beretania Street.

Yesterday morning Lan Ho, a young Chinese who cooks for Captain Clark of the Wilder Steamship Company, had his left foot run over by a tramcar at the corner of Beretania and Victoria streets.

The car was going toward Waikiki and he claimed that he asked the driver to stop the car in order that he might

alight. The driver kept on and as Lan Ho tried to get off his foot slipped, and he fell under the car. His foot was badly crushed but it is not thought that amputation will be necessary.

Deputy Sheriff Chillingworth sent the unfortunate man to the hospital.

THIS IS A LOCAL ITEM

And the Citizen is on the Spot to Confirm It.

The reader of this must concede two important points—first, that which follows, having taken place in Honolulu, can easily be investigated and proved to be true; second, there is a vast difference between opinions publicly expressed by a resident of Honolulu in Honolulu local papers and the opinions daily met with in the same papers in Maine or Montana. Read the following:

Mr. S. Hanoland, of this city, is a Custom House guard. He writes: "Having been afflicted with an aching back for some time, I procured a supply of Doan's Backache Kidney Pills at Hollister & Co.'s store, and used them. The results were most satisfactory and I know that the pills are a valuable medicine for kidney complaints and especially for a lame back."

Is there anything stronger than home testimony? The following are some of the results and indications of kidney disease: Pain in the back, a bearing-down feeling, a dragging sensation in the groin, timid, nervous, restless feeling, temper, irritability, sparks before the eyes, sounds in the ears, throbbing of temples and ears, headache, nervousness, palpitation of the heart, heavy feeling in the back, fainting spells, cold extremities, rheumatism, bad taste in the mouth, sediment in the urine, etc. If you have any of these symptoms they should be taken in time.

Doan's Backache Kidney Pills are sold by all druggists and storekeepers at 50 cents per box (six boxes \$2.50) or will be mailed on receipt of price by the Hollister Drug Co., Ltd., Honolulu, wholesale agents for the Hawaiian Islands.
